Dear Miriam:

It gives me great pleasure to acknowledge receipt of 23 cartons of books for the Miriam Weiner Genealogy Collection at Yeshiva University. The cartons arrived on Friday, June 20th at approximately 11:00 a.m. We are all truly excited about this new collection which will enrich the research resources at Yeshiva University's Libraries. Thank you so much!

I have enclosed several book plates as samples. You will see that the format is standard and all utilize the Yeshiva University logo. It may be possible to include your logo as well. I can ask a designer in our Graphic Arts office if you wish. Also, it may not be necessary to repeat Yeshiva University in your text since the name of the University appears at the top of the book plate. Let me know what you think.

I received the copy of your book and will get to work on a letter as soon as I can.

Warmest regards,

Pearl Berger
Dean of Libraries
