Dear Mrs. Weiner,

National V. I. Vernadsky Library of Ukraine wishes to express its deep gratitude for the book "Jewish roots in Ukraine" we got as a gift for our Library. This book opens a new page in understanding various aspects of interaction between Jewish and Slavic cultures. We believe it would be a precious gift for all studying Jewish history and cultural tradition.

We are looking forward to future mutual cooperation.

Sincerely yours

Oleksiy Onischenko
Director General
National V. I. Vernadsky
Library of Ukraine

Irina Serheyeva
Chief of the Department
of Oriental Studies
