Dear Ms. Weiner: *Miriam*

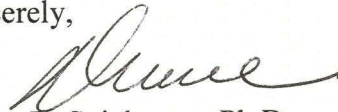

The Center for Jewish History and its Ackman and Ziff Family Genealogy Institute (Genealogy Institute) gratefully acknowledge your gift from March 31 of 67 books and newsletters for the Genealogy Institute. We also thank you for your permission on April 2 to transfer 15 of the general titles, originally designated for the YIVO Institute, to the Russian American Jewish Experience (RAJE). We are enclosing a list for all of the above titles.

Your donation of the *Encyclopedia Judaica*, First Edition has with your permission been delivered to the American Sephardi Federation, and is gratefully acknowledged. You should be receiving an official acknowledgement directly from them.

The titles designated for the Genealogy Institute, especially the rare Russian archival guides, will augment the Genealogy Institute Reference Collection. As a "part of *The Miriam Weiner Genealogy Collection*, your gift will, no doubt, significantly impact and enhance the value of our collection for genealogists. We are therefore especially delighted to have the Center's official bookplate with an acknowledgement to you affixed in each of the books donated by you.

With many thanks, and continued best wishes,

Sincerely,

Diane R. Spielmann, Ph.D.
Director of Public Services

*I am attaching the
bookplate for you +
all best for the holidays
