Dear Ms. Weiner:

Thank you for your donation of books (itemized list enclosed) which will significantly enrich the historical and genealogical library of the Hebrew Immigration Aid Society (HIAS). We are deeply appreciative that you have chosen to generously support HIAS, the oldest international migration and refugee resettlement agency in the United States, in this original and thoughtful manner.

All of the items, whether they are the guides to the riches of different Russian, Ukrainian and Belorussian archives, the three volumes of the Auschwitz lists, or the books that give a historical background of different periods of the Jewish life in shtetlach, will be of enormous use in helping HIAS research requests from the vast amount of immigrants we have helped over the years.

The 45 books received are as follows:
